### **PRAY... GIVE... GO...**

Be a part of the movement that began with Christ's last command to His disciples to "make disciples of all nations". For 2,000 years this has been THE central mission of the Orthodox Church. This work continues with YOU!

We want to provide a way to bring our community together for a virtual event that will keep everyone engaged in the work of the Mission Center.

All you have to do is show up on Zoom to participate.  
**The event will start at 6 pm, Central Time.**

You can submit questions through the Chat line and they will be addressed during the Q & A session.

The links to this special Zoom Benefit Event will be released in September. Please register in advance and we will send you all the necessary information.

Donations online and by mail can be made to OCMC.

#### **THE NEED:**

- OCMC is still doing the work of supporting Churches and the faithful throughout the world. The need to build up the Church is more important in these times than ever before.
- Our hope is to be back in front of parishes soon. But until then, we are exploring ways to engage people in the important work of the Mission Center.
- Our plan is to bring a virtual celebration of Mission work to the St. Louis area.

***Proceeds to benefit OCMC's program:  
"Raising up and training long term missionaries"***
